MIM'28 STUDENT COUNCIL · 01 / THE PROPOSAL

Initiative Proposal

Turn your idea into a clear plan for the MIM community.

A community everyone can contribute to, with a council that helps.

Use the prompts below to describe your initiative. Keep responses concise; attach extra detail if needed.

Initiative title

Your name

Email / contact

Proposed date or timeline

Summary of the idea
In 2–4 sentences, describe the initiative and what it aims to achieve.

Purpose & impact
Who will benefit? What need does it address, or what experience does it create?

Resources & support needed
Include estimated budget and currency, spaces, materials, and support needed from the Council.

Organising team / collaborators
List names and responsibilities, if applicable.

From idea to delivery

Define what success looks like and how you will get there.

Plan start date

Plan end date

1 · Objectives

Set 2–3 concrete goals. Include the intended audience and a measure of success.

2	
3	

2 · Implementation plan

Specify actions, owners and timing. Note key dependencies or potential blockers.

Week 1 · preparation, outreach, logistics	Responsible	When

Week 2 · execution, delivery, follow-through	Responsible	When

Dependencies / potential blockers

Values & vision

What should participants take away, how does it enrich MIM'28, and how will you know it worked?

People behind the idea

List ten supporters who are willing to be named.

Supporters affirm the idea is worthwhile — they do not need to volunteer their time.

Supporters may be classmates, teachers or community members. Include each person's full name, email and section or role; they may be asked to confirm their interest.
